Subject: FLYOBREP In accordance with AFL 200-5, dated 20 April 1952, Subject: Unidentified Flying Objects Reporting (Short Title:FLYOBREP). the following report of unidentified flying object is submitted: On 24 May 1952, [REDACTED], the pilot of T-4 220, sighted what appeared to him to be two reddish colored torpedoes over Zuni, New Mexico. The pilot made this sighting at approximately 0027Z when he was 6 to 7 miles southwest of Zuni. These objects appeared directly in front of his heading of 50 degrees. The objects appeared for approximately 15 seconds and during that time moved through an arc of 60 degrees to the south descending slowly. The objects appeared to have no center section, just the fore and aft sections being visible. The speed and distance of the objects could not be estimated. The reliability of the informant is considered excellent. <i>115</i> <i>WC</i>
